CONVERT
INTO RENEWABLE ENERGY

Since 1988, we've been working hard to give restaurateurs, caterers and food businesses the service they need to make sure quality, value and great taste is on the menu for their customers, all day, every day.

Our hard work, investment in innovation and commitment to total quality mean that, today, we are Ireland's leading vegetable oil supplier and waste cooking oil collector.

OUR COMMITMENT TO YOU

Our Service offers you Simplicity, Cost Savings, Compliance and Support

COMPLIANCE

We ensure all of our sites and our partnered AD plants are fully compliant with NIEA standards.

OUR CUSTOMERS

We strive to find convenient and practical solutions for your food waste no matter how big or small your food service business may be.

What makes us different?

- Full NI Coverage
- We only collect in our own fleet of specialised vehicles
- Along with plate scrapings, we can take packaged food waste
- Reassurance that our operations are carbon efficient with fuel saving vehicles and electronic bin lifts
- We will help your business lower its carbon footprint
